REQUEST FOR ISSUANCE OF A NEW OFFICE ACTION

Commissioner for Patents:

Applicants have received the Office Action dated December 18, 2003. In the Office Action, the Examiner did not treat claims 4-8 and 12-17. Instead, the Examiner stated that the claims were in multiple dependent claims and depended from other multiple dependent claims. This statement by the Examiner appears to be incorrect. In particular, on the day the application was converted into the United States, namely on March 13, 2002 a Preliminary Amendment was filed in which it was stated that the claims presently on file were to be replaced with the enclosed claims prior to examination the merits. Enclosed herewith is a copy of that Preliminary Amendment and the claims which were submitted therewith. In particular, as can be seen by reviewing these claims there are no claims in multiple dependent form in the entire

application. Therefore, it is believed that these claims should have been treated on the merits. A request is made to the Examiner that a further examination be carried out and that the claims be treated on the merits. A new Office Action is requested which treats these claims on the merits.

Respectfully submitted,
